

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: BLK Properties
DOCKET NO.: 12-00537.001-R-1
PARCEL NO.: 15-26-153-001

The parties of record before the Property Tax Appeal Board are BLK Properties, the appellant, by attorney Dennis D. Koonce, of Dennis Koonce Attorney At Law in Frankfort; and the Kane County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,943
IMPR.: \$ 23,099
TOTAL: \$ 26,042

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story and part 1.5-story dwelling of frame construction with 1,152 square feet of living area. The dwelling was constructed in 1904. Features of

the home include a full basement. The property has a 6,102 square foot site and is located in Aurora, Aurora Township, Kane County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 26, 2010 for a price of \$46,750. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,042. The subject's assessment reflects a market value of \$78,087 or \$67.78 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Kane County of 33.35% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales and three equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the three comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features and/or age. Two of these properties also sold more proximate in time to the assessment date at issue than the subject's purchase in October 2010. The comparables sold for prices ranging from \$84.33 to \$109.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$67.78 per square foot of living area, including land, which is below the range established by the comparable sales in this record. The

Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue. The Board gave no weight to the equity evidence submitted by the board of review as it is not responsive to the appellant's overvaluation argument. Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
