

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edeva, LLC
DOCKET NO.: 12-01201.001-R-1
PARCEL NO.: 15-14-106-013

The parties of record before the Property Tax Appeal Board are Edeva, LLC, the appellant, by attorney Dennis M. Nolan of the Law Office of Dennis M. Nolan, P.C. in Bartlett; and the Kane County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Kane County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,252
IMPR.: \$12,757
TOTAL: \$17,009

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,404 square feet of living area. The dwelling was constructed in 1954. Features of the property include a slab foundation, central air conditioning and a detached garage. The property has a 6,450 square foot site and is located in Aurora, Aurora Township, Kane County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in July 2012 for a price of \$51,000. Based on this evidence, the appellant requested the subject's assessment be reduced to \$16,998.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,663. The subject's assessment reflects a market value of \$109,934 or \$78.30 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Kane County of 33.35% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted an equity analysis prepared by the township assessor using three comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the purchase of the subject property in July 2012 for a price of \$51,000. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. No weight was given the equity analysis submitted by the board of review because this evidence did not address the appellant's market value argument. Based on this record the Board finds the subject property had a market value of \$51,000 as of January 1, 2012. Since market value has been determined the 2012 three year average median level of assessment for Kane County of 33.35% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
