DOCKET NO.: 12-01252.001-R-1
PARCEL NO.: 07-35.0-176-007

The parties of record before the Property Tax Appeal Board are Terry & Georgia Hornbacker, the appellants; and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,171
IMPR.: \$58,688
TOTAL: \$70,859

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with an owner occupied residential property. The subject property is located in Williams Township, Sangamon County, Illinois.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior tax year under docket number 11-05772.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$71,720 based on the evidence submitted by the parties. In this appeal, the appellant, Terry Hornbacker, appeared before the Property Tax Appeal Board claiming overvaluation and assessment inequity as the basis of the appeal. The appellants submitted sales and assessment information in support of these claims.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$93,736 was disclosed. The board of review did not submit any evidence to support its assessment of the subject property or refute the valuation evidence submitted by the appellant.

After hearing the testimony and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185).

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2011 assessment to \$71,720. The record further indicates that the subject property is an owner occupied dwelling and that 2011 and 2012 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's-length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of the .9880 equalization factor applied in Williams Township.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
