

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrzej Lozowski  
DOCKET NO.: 12-01807.001-R-1  
PARCEL NO.: 14-2-15-24-13-302-010

The parties of record before the Property Tax Appeal Board are Andrzej Lozowski, the appellant, and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,250  
**IMPR.:** \$68,620  
**TOTAL:** \$81,870

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a two-story single family dwelling of frame construction that contains 2,632 square feet of living area. The dwelling was constructed in 1996. Features of the home include a crawl-space foundation, central air conditioning, one fireplace and a two-car attached garage. The property has an 18,722 square foot site and is located in Edwardsville, Edwardsville Township, Madison County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$188,500 as of June 8, 2012. Based on this evidence the appellant requested the subject's assessment be reduced to \$62,826 to reflect the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" wherein its final assessment totaling \$81,870 was

disclosed. The subject's assessment reflects a market value of approximately \$245,635 when applying the statutory level of assessments. The evidence provided by the board of review indicated the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor. The board of review submission indicated the board of review applied a township equalization factor of .9867 reducing the subject's assessment from \$82,970 to \$81,870. The board of review filed a Motion to Dismiss citing section 16-180 of the Property Tax Code (35 ILCS 200/16-180) for the proposition that the Property Tax Appeal Board has limited jurisdiction when an appeal is filed from the effect of an equalization factor. The board of review contends that since the property received a "negative" equalization factor resulting in a decrease in the assessed valuation the Property Tax Appeal Board has no jurisdiction over the appeal.<sup>1</sup>

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal. The Board further finds that it has no authority to grant a reduction in the subject's assessment.

A review of the appeal disclosed the appeal was filed after receipt of the notice of a decision by the board of review reducing the assessment on the property by the application of a township equalization factor of .9867.

Due to the fact the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the **increase** (emphasis added) caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

---

<sup>1</sup> A "negative" equalization factor is a factor applied by the board of review that is less than 1.00 which has the effect of reducing the assessment.

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a **reduction in the assessment greater than the amount that was added** (emphasis added) as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of the application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999).

Due to the fact the appeal was filed after the application of a "negative" township equalization factor reducing the assessment of the property, the Property Tax Appeal Board finds it has no authority to grant a further reduction in the assessment of the subject property and no change in the assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
