

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kyuil Kim
DOCKET NO.: 12-01814.001-R-1
PARCEL NO.: 11-29-404-015

The parties of record before the Property Tax Appeal Board are Kyuil Kim, the appellant, by attorney Eli R. Johnson of Robert H. Rosenfeld & Associates, LLC, in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$60,408
IMPR: \$205,545
TOTAL: \$265,953

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story single-family dwelling of brick construction with 4,397 square feet of living area. The dwelling was constructed in 2003. Features of the home include a full unfinished basement, central air conditioning, a fireplace and an attached 645 square foot

garage. The property has a 15,246 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$249,300 which would reflect a market value of approximately \$747,900 or \$170.09 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$265,953. The subject's assessment reflects a market value of \$812,815 or \$184.86 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Lake County of 32.72% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparables sales. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gave reduced weight to board of review comparable sales #2 through #4 due to differences in dwelling size, age and/or location when compared to the subject property. The Board finds the best evidence of market value to be appellant's comparable sales along with board of review comparable sale #1. These four most similar comparables sold for prices ranging from \$167.10 to \$217.71 per square foot of living area, including land. The subject's assessment reflects

a market value of \$812,815 or \$184.86 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
