

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ester Stohl  
DOCKET NO.: 12-01882.001-R-1  
PARCEL NO.: 16-22-402-026

The parties of record before the Property Tax Appeal Board are Ester Stohl, the appellant, by attorney Abby L. Strauss of Schiller Klein PC, in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$51,969  
**IMPR:** \$189,820  
**TOTAL:** \$241,789

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 2,906 square feet of living area. The dwelling was constructed in 2008. Features of the home include a full basement with finished area, central air conditioning and a 441 square foot garage. The property has a 7,500 square foot

site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales, where comparables #1 and #3 were the same property.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$241,789. The subject's assessment reflects a market value of \$738,964 or \$254.29 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Lake County of 32.72% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparables sales. Based on this evidence, the board of review requested confirmation of the subject's assessment.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the five comparables presented by both parties where each comparable has one or two fireplaces even though the subject lacks a fireplace. These five most similar comparables sold for prices ranging from \$229.93 to \$263.42 per square foot of living area, including land. The subject's assessment reflects a market value of \$254.29 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
