

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Solomon
DOCKET NO.: 12-02341.001-R-1
PARCEL NO.: 16-21-207-012

The parties of record before the Property Tax Appeal Board are Susan Solomon, the appellant, by attorney Eli R. Johnson of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$87,247
IMPR.: \$230,755
TOTAL: \$318,002

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood construction with 4,337 square feet of living area. The dwelling was constructed in 1991. Features of the home

include an unfinished basement, central air conditioning, a fireplace and a 805 square foot garage. The property is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that ranged in size from 3,569 to 5,161 square feet of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$318,002. The subject's assessment reflects a market value of \$971,889 or \$224.09 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Lake County of 32.72% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

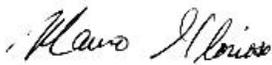

The Board finds the best evidence of market value to be board of review comparable sales #1 and #2. These most similar comparables sold for prices of \$242.48 and \$311.23 per square foot of living area, including land. The subject's assessment reflects a market value of \$224.09 per square foot of living area, including land, which is below the values established by the best comparable sales in this record. The Board gave less weight to the parties' remaining comparables due to their significantly smaller or larger dwelling sizes, when compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
