

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Chen  
DOCKET NO.: 12-02652.001-R-1  
PARCEL NO.: 16-07-303-036

The parties of record before the Property Tax Appeal Board are Thomas Chen, the appellant, by attorney Scott J. Linn of the Law Office of Scott J. Linn in Deerfield; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$104,746  
**IMPR.:** \$255,910  
**TOTAL:** \$360,656

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick construction with 4,086 square feet of living area. The dwelling was constructed in 1996. Features of the home include

a partially finished basement, central air conditioning, a fireplace and an attached 759 square foot garage. The property is located in Lake Forest, West Deerfield Township, Lake County.

The appellant appeared, through counsel, contending overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$360,656. The subject's assessment reflects a market value of \$1,102,249 or \$269.76 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Lake County of 32.72% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparables sales of which board of review comparable #3 is the same property as appellant comparable #2.

After hearing the testimony and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the common comparable namely, appellant #2 and board of review #3, as well as board of review comparable sales #1 and #5. These most similar comparables sold for prices ranging from \$253.43 to \$294.19 per square foot of living area, including land. The subject's assessment reflects a market value of \$269.76 per square foot of living area, including land, which is within the range established by the best comparable sales in this record.

The Board gave less weight to the appellant sales #1 and #2 due to their lack of basement finish. The Board gave less weight to board of review sales #2 and #4 due to their sale dates occurring greater than 18 months before or after the subject's January 1, 2012 assessment date. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
