

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Laurie Thomson
DOCKET NO.: 12-03257.001-R-1
PARCEL NO.: 09-11-234-006

The parties of record before the Property Tax Appeal Board are Mark & Laurie Thomson, the appellants, by attorney George J. Relias of Enterprise Law Group, LLP, in Chicago, and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$78,370
IMPR: \$245,500
TOTAL: \$323,870

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a part two-story and part one-story single-family dwelling of frame and masonry construction containing 3,303 square feet of living area. The dwelling was constructed in 1995. Features of the home include a full basement, central air conditioning, two fireplaces and a 518 square foot garage. The property has a 9,375 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The subject property is an owner occupied residence¹ that was the subject matter of an appeal before the Property Tax Appeal Board

¹ The 2012 Residential PRC provided by the board of review reflects the mailing address for the appellants is the same as the address of the subject property.

the prior year under docket number 11-02608.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$344,910 based on the evidence submitted by the parties. The Property Tax Appeal Board takes notice that 2011 and 2012 are within the same general assessment period for residential property in DuPage County. (86 Ill.Admin.Code §1910.90(i); see also 35 ILCS 200/9-215). The appellants also submitted assessment information on three equity comparables to demonstrate the subject was being inequitably assessed.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$335,690 was disclosed. The board of review also reported that residential properties in Downers Grove Township in 2012 had an equalization factor of 0.93900 applied to their assessment. In further support of the subject's improvement assessment, the board of review submitted descriptions and assessment information on five comparables to demonstrate the subject was being assessed uniformly.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2011 assessment. The record further indicates that the subject property is an owner occupied

dwelling and that 2011 and 2012 are within the same general assessment period. There is no evidence indicating the subject property recently sold in an arm's length transaction or that the assessment year in question is in a different general assessment period.

For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of the equalization factor of 0.93900.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
