

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Donna Peterson
DOCKET NO.: 12-03366.001-R-1
PARCEL NO.: 18-2-14-01-05-106-010

The parties of record before the Property Tax Appeal Board are Mark and Donna Peterson, the appellants, and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,320
IMPR.: \$11,050
TOTAL: \$12,370

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a vacant parcel with 5,750 square feet of land area located in South Roxana, Chouteau Township, Madison County.

The appellants marked as the basis of the appeal a contention of law. In support of this argument the appellants asserted the subject property is now vacant. They explained that the home on the site was condemned by the Village of South Roxana and razed. In support of their argument the appellants provided a photograph depicting the subject parcel as a vacant lot. The appellants did not state the date on which the home was removed from the parcel. The evidence in the record further revealed that the appellants filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor. The appellants submitted a copy of the Notice of Final Decision on Assessed Value by Board of Review dated March 15, 2013, disclosing the board of review applied a

township equalization factor of .9706 reducing the subject's assessment from \$12,740 to \$12,370. The assessment notice stated the equalized assessment reflects a market value of \$37,110. Based on this evidence the appellants requested the subject's assessment be reduced to reflect a land assessment only of \$1,320.

The board of review submitted its "Board of Review Notes on Appeal" and filed a Motion to Dismiss citing section 16-180 of the Property Tax Code (35 ILCS 200/16-180) for the proposition that the Property Tax Appeal Board has limited jurisdiction when an appeal is filed from the effect of an equalization factor. The board of review contends that since the property received a "negative" equalization factor resulting in a decrease in the assessed valuation the Property Tax Appeal Board has no jurisdiction over the appeal.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal. The Board further finds that it has no authority to grant a reduction in the subject's assessment.

A review of the file disclosed the appeal was timely filed after receipt of the Notice of Final Decision on Assessed Value by Board of Review dated March 15, 2013. The assessment notice disclosed the assessment on the property was reduced by the application of a township equalization factor of .9706.

Due to the fact the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the **increase** (emphasis added) caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a **reduction in the assessment greater than the amount that was added** (emphasis added) as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of the application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999).

Even though the evidence indicates the subject parcel is now vacant, due to the fact the appeal was filed after the application of a "negative" township equalization factor reducing the assessment of the property, the Property Tax Appeal Board finds it has no authority to grant a further reduction in the assessment of the subject property and no change in the assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
