

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ross Teresi  
DOCKET NO.: 12-03602.001-R-1  
PARCEL NO.: 18-12-429-028

The parties of record before the Property Tax Appeal Board are Ross Teresi, the appellant, by attorney George J. Relias of Enterprise Law Group, LLP in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,809  
**IMPR.:** \$46,518  
**TOTAL:** \$62,327

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story Brentwood model dwelling of brick and frame construction with 2,303 square feet of living area. The dwelling was constructed in 1984. Features

of the home include an unfinished basement, central air conditioning, a fireplace and a 489 square foot garage. The property has a 14,258 square foot site and is located in Crystal Lake, Grafton Township, McHenry County.

The appellant, through counsel, appeared at hearing contending overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within the subject's Four Colonies subdivision. The sales occurred from August 2011 to October 2012 for prices ranging from \$135,000 to \$182,000 or from \$65.63 to \$79.03 per square foot of living area, including land.

Based on this information, the appellant requested a reduction in the subject's assessment to \$54,430.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,327. The subject's assessment reflects a market value of \$191,540 or \$83.17 per square foot of living area, land included, when using the 2012 three year average median level of assessment for McHenry County of 32.54% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales, seven of which were located within the subject's Four Colonies subdivision. The board of review's comparable #8 is the same property as the appellant's comparable #3.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #4; and the board of review comparable sales #5 and #6. These most similar comparables sold for prices ranging from \$66.35 to \$88.13 per square foot of

living area, including land. The subject's assessment reflects a market value of \$83.17 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified. The Board gave less weight to the appellant's comparables #2, #3 and #5 due to their lack of a basement foundation or their considerably smaller basement size, when compared to the subject. The Board also gave less weight to the board of review's comparables #1, #2, #3, #4, #7 and #8 due to their lack of a basement foundation or their superior basement finish.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
