

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill Stefan
DOCKET NO.: 12-20460.001-C-1 through 12-20460.003-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Bill Stefan, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-20460.001-C-1	16-28-429-014-0000	11,290	10,205	\$21,495
12-20460.002-C-1	16-28-429-015-0000	6,250	16,910	\$23,160
12-20460.003-C-1	16-28-429-016-0000	9,374	27,221	\$36,595

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story masonry constructed gas station/mini mart building containing 1,776

square feet of building area. The building was constructed in 1969. The subject is classified as a class 05-90, a commercial minor improvement, under the Cook County Real Property Assessment Classification Ordinance. The improvement is located on 13,457 square feet of land in Cicero, Cicero Township, Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$325,000 as of January 1, 2011. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$100,925, which reflects a market value of approximately \$403,700 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-90 property of 25%. Based on this evidence the appellant requested the subject's assessment be reduced to \$81,250 to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted an appraisal in support of the contention that the subject property was not accurately assessed. The appraisal estimated the subject property had a market value of \$325,000 as of January 1, 2011. The subject's assessment reflects a market value of approximately \$403,700 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-90 commercial

property of 25%. The subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$325,000 as of January 1, 2012. Since market value has been determined the 25% level of assessment for class 5-90 commercial property under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
