

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Dahlberg
DOCKET NO.: 12-21423.001-I-1
PARCEL NO.: 23-12-400-039-1009

The parties of record before the Property Tax Appeal Board are Mark Dahlberg, the appellant, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,442
IMPR.: \$34,558
TOTAL: \$40,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) disputing the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story industrial condominium unit with 3,040 square feet of ground floor building area. The subject unit is located in Building C of the Bridgeview Industrial Condominium, a five building development with 16 units built in 1988. The larger development has approximately 60,826 square feet of building area. Features of

the subject unit include 400 square feet of finished office area at the front of the building and a warehouse area in the rear of the building for medical instruments. The building also has a 200 square foot mezzanine for mechanicals. The property is located in Bridgeview, Palos Township, Cook County. The property is classified as a class 5-89 industrial condominium unit under the Cook County Real Property Assessment Classification Ordinance.¹

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$160,000 as of January 1, 2011. The appraisal was prepared by Robert W. Schlitz, certified general real estate appraiser, of SAS Inc. In estimating the market value of the subject property the appraiser developed the income approach to value and the sales comparison approach to value.

The appellant submitted a copy of the final decision issued by the Cook County Board of Review disclosing a total assessment for the subject property of \$43,320. The subject's assessment reflects a market value of \$173,280 when using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-89 property of 25%. The appellant requested the subject's total assessment be reduced to \$40,000 to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

¹ Although the appellant used a Residential Appeal form in filing the appeal, the property has been assigned an industrial ("I") docket number due to the subject property being improved with an industrial condominium building.

The Board finds the only evidence of market value in this record to be the appraisal submitted by the appellant estimating the subject property had a market value of \$160,000 as of January 1, 2011. The subject's assessment reflects a market value above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
