

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Polymenakos
DOCKET NO.: 12-27483.001-C-1
PARCEL NO.: 26-06-223-019-0000

The parties of record before the Property Tax Appeal Board are George Polymenakos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,432
IMPR.: \$8,766
TOTAL: \$11,198

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story mixed used building of masonry construction with 2,400 square feet of building area. The building is approximately 95 years old. Features of the building include a commercial unit in the front and a one-bedroom apartment in the rear of the building. The property has a 3,475 square foot site and is located in Chicago,

Hyde Park Township, Cook County. The property is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an income approach to value estimating the subject had a market value of \$111,978. The appellant requested the subject's assessment be reduced to \$11,198.

The appellant submitted a copy of the final decision issued by the Cook County Board of Review disclosing a total assessment for the subject property of \$12,215. The subject's assessment reflects a market value of \$122,150 when using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 2-12 property of 10%.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

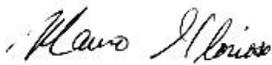

The Board finds the only evidence of market value to be the income approach submitted by the appellant. The subject's assessment reflects a market value above the only evidence of market value in the record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). Based on this limited record the Property Tax Appeal Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
