

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sandra P. Saltiel Trust
DOCKET NO.: 13-01478.001-R-1
PARCEL NO.: 15-24-201-001

The parties of record before the Property Tax Appeal Board are Sandra P. Saltiel Trust, the appellant, by attorney Liat R. Meisler of Golan & Christie LLP in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,277
IMPR.: \$110,370
TOTAL: \$177,647

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 3,041 square feet of living area. The dwelling was constructed in 1972. Features of the home include

an unfinished basement, central air conditioning, a fireplace and a 483 square foot garage. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant appeared before the Property Tax Appeal Board through counsel contending overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$177,647. The subject's assessment reflects a market value of \$534,437 or \$175.74 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Lake County of 33.24% as determined by the Illinois Department of Revenue.

The board of review's representative argued that the appellant used three dated sales from 2011, which was a different market from the 2013 assessment year in question.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales.

Under rebuttal, the appellant's counsel argued that the board of review submitted 2013 sales that occurred after the January 1, 2013 assessment date at issue.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 through #3 and board of review comparable sales #1, #2, #3, #4, #5, #7 and #8. These most similar comparables sold for prices ranging from \$147.87 to \$220.24 per square foot of living area, including land. The

subject's assessment reflects a market value of \$175.74 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave less weight to the parties' remaining comparables due to their sale dates occurring greater than 13 months prior to the January 1, 2013 assessment date at issue. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
