

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leonard Schultz
DOCKET NO.: 13-22470.001-R-1
PARCEL NO.: 28-09-301-097-0000

The parties of record before the Property Tax Appeal Board are Leonard Schultz, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,502
IMPR.: \$23,643
TOTAL: \$29,145

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is one year old, and consists of a one-and-a-half-story dwelling of frame construction containing 3,035 square feet of living area. Features of the home include a full basement, central air conditioning, a fireplace and a two-car

garage. The subject property has a 15,721 square foot site, is located in Bremen Township, Cook County and is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. The appellant's Grid Analysis lists the living area at 2,880 square feet and the basement as partial. However, the evidence submitted by the board of review disclosed the living area at 3,035 square feet and the basement as full.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,784. The subject property has an improvement assessment of \$27,282 or \$8.99 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables. The board of review's evidence disclosed the living area of the subject to be 3,035 square feet and the basement as full.

In rebuttal, the appellant submitted print-outs from the Cook County Assessor's website for each of his comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant did not submit evidence to support the contention that the improvement is 2,880 square feet. Therefore, the Board finds the improvement contains 3,035 square feet.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, #3, and #4. These comparables had improvement assessments that ranged from \$7.04 to \$8.85 per

square foot of living area. The subject's improvement assessment of \$8.99 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
