

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Khalid Ahmed
DOCKET NO.: 13-29569.001-R-1
PARCEL NO.: 12-14-118-021-0000

The parties of record before the Property Tax Appeal Board are Khalid Ahmed, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,750
IMPR.: \$19,021
TOTAL: \$24,771

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 5,750 square foot parcel of land improved with a 48-year old, one-story, masonry, single-family dwelling containing 1,294 square feet of living area. The property is located in Jefferson Township, Cook County. The

subject is classified as a 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument the appellant submitted four equity comparables. These properties are located within two blocks of the subject and are described as 49 to 56 year old, one-story, masonry, single-family dwellings containing between 1,257 and 1,388 square feet of living area. Their improvement assessments range from \$13.23 to \$14.51 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,771 with an improvement assessment of \$19,021 or \$14.70 per square foot of living area. In support of its contention of the correct assessment the board of review submitted four equity comparables. These properties are 48 to 49 year old, one-story, masonry dwellings containing between 1,255 and 1,294 square feet of living area. They have improvement assessments ranging from \$16.84 to \$17.05 per square foot of living area.

In rebuttal, the appellant submitted a letter asserting that the board of review did not refute the appellant's comparables and, therefore, the subject's assessment should be reduced.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties presented a total of eight equity comparables. The Board finds the appellant's comparable #4 and the board of review's comparables #1 and #4 the most similar to the subject. The comparables have improvement assessments from \$14.51 to \$17.31 per square foot of living area. In comparison, the

subject's assessment of \$14.70 per square foot of living area falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
