Appeal forms for the 2012 tax year were received along with a request to roll the Appellant's 2011 PTAB decision postmarked on 7-25-15, one-day late. Appeal was dismissed for untimely filing on 8-27-15. Per correspondence received 9-8-15, Appellant is requesting the PTAB reinstate his appeal and believes it to be timely filed.

bb. Doetsch Wadsworth L.P.: #11-05280-C-2 (Lake)

Per correspondence received on 9-14-15, Appellant is requesting the PTAB reinstate the appeal after calling this summer to check on the status. Appellant states the notification was sent to the property address and not the address where the tax bills are sent. An appraisal dated, 1-1-12, was also sent with the reinstate request.

Recommendation: Deny request to reinstate appeal. The notification letter was sent to the address provided on the appeal form completed by the Appellant.

Per correspondence received 9-3-15, Intervenor is requesting the PTAB vacate the default and grant another extension to file a proposed stipulation that has not yet been approved by the CBOE (but is expected to be) or adopt the evidence of the BOR in the event the CBOE rejects the settlement.

Recommendation: In each of the appeals listed above, deny request to rescind default.

- ff. Evergreen Alliance Golf Limited LP: #11-32504-C-2 (Cook – Proviso)

Hillside S.D. #93 filed a Motion to Intervene on 7-21-15 asserting that the 60-day intervention filing period was never triggered in the appeal because the Cook County Board of Review failed to notify the School district of the appeal.

The record contains a Certificate from the BOR that was received by the PTAB on 12-12-13 indicating that the taxing districts were notified of the appeal on 12-

17-13. The Certificate was signed by Aaron R. Bilton purportedly on 12-17-13. The date of the Certificate is obviously an error as the PTAB received the Certificate prior to the date the taxing districts were purportedly notified and prior to the signature date. The Certificate references the correct PTAB Docket No. but identifies the appellant as “Catholic Bishop Chgo” rather than Evergreen Alliance Golf Limited, LP. A second certificate was received on 9-21-15 identifying Evergreen Alliance Golf Limited as the Appellant and indicating that the taxing districts were notified on 12-17-13. This Certificate is purportedly dated on 12-17-15.

The Appellant and the BOR were notified of the Motion to Intervene. The appellant responded objecting to the Motion asserting the Certificate indicates that the taxing districts were notified of the appeal on 12-17-13. The Appellant argued Hillside S.D. #93 failed to show that the BOR failed to timely provide notice of the appeal. It contends the school district only provided evidence that such notice was not received.

Recommendation: Grant the Motion to Intervene and reopen the filing period to the Intervenor. The two Certificates received from the BOR contained errors, which calls into question whether or not proper notices were ever mailed to the taxing districts. The BOR did not file a response to the Motion to Intervene.

gg. Susann Duboff: #12-21392-R-1 (Cook – Elk Grove)

A decision was written on the above appeal using the evidence submitted by the Appellant and the Cook County BOR. This decision resulted in a reduction that was approved by our Board and dated/mailed 8-21-15. Per correspondence received 9-2-15, Appellant is requesting our Board re-review the evidence and decision because she says many errors were made by the assessor and the BOR.

Recommendation: Deny request to re-review decision. Proper procedure is to file a Complaint for Administrative Review.

hh. Jose Rodriguez: #10-36165-R-1 (Cook – Wheeling)

Appellant, represented by counsel, submitted the above appeal to the PTAB on 5-14-15 (postmark). The appeal was filed from a Cook County Board of Review re-review dated 7-20-11. A cover sheet attached to the appeal indicated that on 8-19-11 counsel filed for the above Appellant with the PTAB and did not receive a docket number and, therefore, re-submitted the appeal on 5-14-15. The appeal was docketed and dismissed by PTAB on 9-11-15 for untimely filing. Per correspondence dated 9-30-15, counsel for Appellant is requesting the PTAB reinstate the appeal and submitted examples of appeals filed on the same date that

were designated docket numbers and an affidavit from counsel is also included with this request.

Recommendation: Reinstate appeal and notify the BOR. Request contains an original petition timely stamped by hand-delivery to the PTAB's Des Plaines office on 8-19-11.

ii. Gus Papadakis: #14-33625-C-1 (Cook – Leyden)

Appellant, represented by counsel, submitted the above appeal on 6-28-15 (postmark) from a PTAB decision dated 4-24-15. The deadline for filing from this decision was 5-24-15. Appellant is requesting we accept this late filing and provided a cover sheet indicating the appeal was originally mailed (postmarked) on 5-8-15 but returned to counsel for insufficient postage. A copy of a certified envelope with the postmark date of 5-8-15 is included along with a sticker indicating insufficient postage.

Recommendation: Accept appeal and grant a 90-day extension as requested by Appellant.
