Email states that a previous email dated 12-23-16 (2-days past the deadline for filing with the PTAB) was sent to PTAB staff requesting an extension on the appeal and explaining it had been inadvertently left out of 12-21-16 mailing. Staff advised counsel that this late

request could not be matched up without a docket number and an Incomplete notification would be sent back on the appeal with an extension of 30-days if further information was required.

Per written correspondence received 10-4-17 and 1-10-18, Appellant claims numerous errors were made by PTAB in our decision and that she was told to file a complaint for administrative review. Appellant believes she should not have to go to court as a result of errors and sloppy work and would like a written response.
