### Motion to Revive Judgement

Taxpayers' attorney request the decisions be revived because the Cook County Treasurer's Office failed to issue refunds in these matters. In each of the above referenced appeals the PTAB issued decisions reducing the assessments. As of this date the taxpayers have not received the refunds based on the PTAB decisions. The taxpayers request the PTAB issue orders reviving the judgement in each appeal so that the Cook County Treasurer's Office will issue a refund of the resulting overpayments.

- qq. Miscellaneous Cook County Dockets:

The Cook County Board of Review (BOR) is requesting an additional 90-day extension on 1,630 appeals with a June 2018 deadline. All listed docket numbers but one has had the initial notification letter to the BOR granting 90-days to submit evidence, no other extensions have been granted. Docket No. 16-38663 had a final extension granted on 5/15/18 with a due date of 8/12/18 and two cases are closed. In requesting the need for the additional extension, the BOR explained that it has finished its 2017 session and it had a record number of appeals. The BOR also explained that it has begun transmitting evidence at a high rate and is working through the backlog. The extension would help the BOR workflow noting that the last extensions granted were 60-days and not 90-days as requested.
