## Section V – Comparable Sales/Assessment Grid Analysis

As an alternative, an appraisal establishing the fair market value of the subject property under appeal as of the assessment date may be submitted. (Note: If a hearing is held in the case, the PTAB will be better able to judge the weight and credibility of the appraisal if your appraiser testifies in person.)

**Comparable Sales:** Provide at least three recent sales of property comparable to the subject property. Complete the entire grid analysis (except assessment data). Include dates of sale and prices paid. Submit a property record card and/or listing sheet of each sale. (Note: Comparable sales should be similar to the subject property in location, size, design, age, and amenities.)

**Assessment Equity:** Provide at least three properties similar to the subject property and include the assessment of each property for the assessment year on appeal. Complete the entire grid analysis (except sale data). Submit a property record card for each property. (Note: Assessment comparables should be similar to the subject property in location, size, design, age, and amenities.)

**In addition to the above instructions, print additional blank copies of next page and renumber columns if submitting more than nine comparable properties. All comparables should be similar to the subject in location, size, design, age, and amenities. Photographs should be submitted if they aid in explaining the appeal.**
