EQUAL EMPLOYMENT OPPORTUNITY STATEMENT OF POLICY

The Property Tax Appeal Board has a policy to provide equal employment opportunity for all persons in the agency, as well as to all persons applying for employment. The Property Tax Appeal Board does, and will, comply fully with the provisions of all State and Federal rules, regulations, laws, ordinances and executive orders covering Equal Employment Opportunity.

The Property Tax Appeal Board policy strictly prohibits anyone from excluding a person or persons from application, examination, employment, training, recruitment, promotion, retention, discipline or any other personnel action due to race, color, sex, religion, national origin/ancestry, arrest record, citizenship status, age, physical or mental disability, pregnancy, marital status, sexual orientation, order of protection status, unfavorable military discharge or military status including veteran status. The responsibility for the promotion of equal opportunities shall rest with all levels of management of the Property Tax Appeal Board. It must be understood that the ability to hire new females, minorities, or persons with disabilities is dependent upon vacancies for existing positions or newly created positions, and requisite increases in the agency's headcount and appropriation by the Illinois General Assembly.

To ensure compliance, it is imperative that the Affirmative Action Program be fully understood by the management and staff of the Property Tax Appeal Board.

The following guidelines are being implemented within the Affirmative Action Program:

- A. A program has been established to recruit and employ women, minorities and employees with disabilities in titles and pay grades that are underutilized at the present time in the Property Tax Appeal Board.
- B. All contract vacancies will be posted on bulletin boards. For the filling of future vacancies, managers shall inventory and consider the abilities and skills of all employees currently on staff. Recruitment shall be used to recruit applicants in classifications where few or no women, minorities or persons with disabilities are employed.
- C. Complete records shall be maintained on the recruitment and selection activities.

- D. On-going training is to be provided for all employees so that the staff of the Property Tax Appeal Board fully understands its obligations in assuring internal nondiscriminatory practices, including those addressing sexual and other harassment policies.
- E. Reasonable accommodations for individuals with disabilities shall be considered.
- F. A monitoring system has been established for the EEO-Affirmative Action Program to determine problems encountered, progress made and compliance with laws, regulations and executive orders.
- G. Any reprisal, coercion, intimidation (directly or indirectly) against an employee is prohibited.

Managers are to recognize their responsibilities for carrying out the Affirmative Action Program of the Property Tax Appeal Board, as well as the intent of the program to all employees they supervise.

AGENCY PROFILE

The Property Tax Appeal Board was created by the Legislature in 1967 to hear and adjudicate local property assessment disputes. The agency is under the guidance of a bi-partisan, five-member board appointed by the Governor with the advice and consent of the Senate. In addition, the Board employs administrative law judges whose primary purpose is to preside over hearings within the 102 counties of the State of Illinois as assigned by the Chairman. An Executive Director is appointed by the Board and is charged with the management and daily operations of the agency staff.

The mission of the Board is to provide an informal forum, open to the public, for the timely resolution of contested appeals; to issue impartial decisions based upon equity and the weight of the evidence; and to establish clear, concise, accurate and timely communications with the public. To carry out this mission, the Board has organized a staff of full-time hearing officers consisting of attorneys, assessment and appraisal professionals, and full-time support staff members skilled in administration, clerical, computer data processing, personnel, and fiscal management operations.

The Springfield Office employs twenty-four (23); there are thirteen (15) employees located in Des Plaines, for a total headcount of thirty-six (38).

ASSESSMENT OF CURRENT PRACTICES

This section outlines the methods that are utilized to recruit and/or hire qualified candidates to fill job vacancies as they occur at the Property Tax Appeal Board and personnel transactions that occurred from July 1, 2022 through June 30, 2023.

Recruitment Methods and Sources

The Property Tax Appeal Board is subject to the jurisdiction of the Personnel Code and union contracts; therefore, Civil Service recruitment and testing procedures must be followed in the recruitment efforts of this agency. The recruitment procedures used by the Property Tax Appeal Board are:

- a. When vacancies occur, the position is posted on the agency bulletin boards in Springfield and Des Plaines for ten (10) working days and on the State of Illinois job posting system. The following procedures listed below would be followed.
- b. After the posting comes off the bulletin board and the State of Illinois job posting system, one of the following steps would apply either for union positions or non-union positions.
- c. Participate in job fairs/forums.

Union Contract Positions

- Step 1- Bids received would be checked to see if they are bidding for job assignment, then recall or transfer on layoff (if layoffs were implemented), promotion and voluntary reduction, transfer and if none of the above applies, a list of eligible candidates is requisitioned from Central Management Service.
- Step 2 If bidders are received for union contracts, position eligible bidders will be interviewed and selected according to the above listing in Step 1.
- Step 3 If no one bids under the provisions of the union contract, a requisition for an eligible list is requested from the Department of Central Management Services. The names are routed according to Grade Category. That is, those individuals receiving a grade of "A" are forwarded on the first list. Individuals with a grade of "B" or "C" may be forwarded on subsequent lists. As of April 24, 1997, it was signed into law that Veterans would receive "absolute preference"; that is, they

would be given first consideration before anyone else and those individuals who qualify for "Veteran Status" would be the only ones identified on the list.

Step 4- The Property Tax Appeal Board is then responsible for interviewing eligible candidates and making appointments to fill vacancies that exist.

Non Union Positions

- Step 1- If someone bids on the position posted and they have received a grade of "A", an interview is scheduled and a selection could be made for the vacancy.
- Step 2- If no one is selected through the bidding process; an eligible list is obtained from the Department of Central Management Services. As of April 24, 1997, it was signed into law that Veterans would receive "absolute preference"; that is, they would be given first consideration before anyone else and those individuals who qualify for "Veteran Status" would be the only ones identified on the list.
- Step 3- The Property Tax Appeal Board is then responsible for interviewing eligible candidates and making appointments to fill vacancies that exist.
- Step 4- If the Department of Central Management does not have a list of eligible candidates for the vacant positions, a provisional permit may be requested which allows the Office to recruit on its own to fill the specific vacancy. Individuals hired on a provisional permit must at a later date, as determined by Central Management Services, compete with other individuals to quality through the examination process for that position.

Positions filled are handled in compliance with the Department of Central Management Services published "Comprehensive Employment Plan" (CEP). Recruiting procedures may include but are not limited to, posting vacancies on electronic bulletin boards.

Applications and resumes received into the agency for employment consideration are reviewed, copied for the "Employment Consideration" file and the original is forwarded to Central Management Services for processing and grading, and added to the eligible list if applicable.

Interview and Selection Procedure

The interviewing procedures are as follows:

- a.- Applicants for all positions except executive jobs are interviewed by the division managers who are "CEP" trained. Final approval rests with the Chairman of the Board and the Executive Director.
- b.- The Chairman of the Board and/or Executive Director conducts interviewing for executive positions.

Promotion Procedure

Vacant positions are posted on the agency bulletin boards in order to provide agency employees first opportunity to be considered for a promotion. Before being promoted, the employee is required to complete and submit a promotional application to Central Management Services for grading.

A promoted employee serves a four-month probationary period and becomes certified in that position. If an employee fails to complete the probationary period due to the inability to perform the duties of the new position, that employee shall be returned to the title and status from which they were promoted.

Transfer Procedures

The agency Human Resources Officer is contacted when an employee wishes to transfer to a vacancy within the agency. An interview is scheduled with the interviewing officer to discuss the duties of the position more specifically; should the employee accept the transfer, the appropriate documentation is created and signatures obtained.

Training

Tuition reimbursement is available, pending availability of funds, upon written request, to any Property Tax Appeal Board employee who works half time or more and holds a certified or exempt civil service status. All such requests require the approval of the five-member Property Tax Appeal Board. Employees who are in a temporary, emergency, trainee or provisional status are not eligible. The tuition reimbursement applies towards tuition and lab fees only. Reimbursement will be for two courses per quarter or semester, one at 100% and the second at 80% of the tuition at a state supported school. Approval must be obtained prior to start the course.

INTERNAL WORKFORCE ANALYSIS

An internal workforce analysis was performed to assess the workforce composition at the close of FY23 and the personnel transactions that occurred within the Property Tax Appeal Board during the period of July 1, 2022, through June 30, 2023.

Chart I delineates the job titles established for use by the Property Tax Appeal Board. The titles are grouped by four EEO Job Categories. They are: Officials/Administrators, Professionals, Para-Professionals and Office/Clerical. The Property Tax Appeal Board does not utilize titles within the remaining four EEO Job Categories of Technician, Protective Service, Service/Maintenance, and Skilled Craft.

Table I is a Summary of Workforce Analysis by four EEO Job Categories and Region. It includes numerical presentations of the workforce that are cross-referenced by sex, race/national origin, and disability status—denoted by (M) Male, (F) Female, (W) White, (B/AA) Black or African-American, (H/L) Hispanic or Latino, (A) Asian, (AI/AN) American Indian and Alaska Native, (NHOPI) Native Hawaiian or Other Pacific Islander, and (D) Disabled.

The Property Tax Appeal Board's employees are located in either Cook (Region 1) or Sangamon (Region 7) counties; the agency has no employees in other regions defined by the Department of Human Rights. The Regional Workforce Analysis tables show total agency employees of thirty-eight (38) persons: nineteen (19) females (50%), with three (4) Black or African-American (11%), and eighteen (19) males (50%), with two (2) Hispanic/Latino (5%).

The agency does not employ ten or more employees in any given job category within either of its two regions. The limited number of employees renders the agency unable to meet the threshold for conducting a labor force availability analysis for any specific job category or to derive meaningful numerical analyses that might indicate whether or not there is underutilization.

Table II is a Summary Workforce Transactions Report by the four EEO Categories that includes numerical presentations of employment actions during FY23 which are cross-referenced by the same categories as are listed in Table I. During FY23, four professional employees accepted a promotion, two official/manager employees separated, Three new professional employees were hired, and one paraprofessional employee was hired.

PART III

ACTUAL UNDERUTILIZATION

Goals, Timetables and Monitoring Procedures

The Global View

Due to the limited number of employees within any job category or DHR region of the Property Tax Appeal Board, a statistical evaluation of the agency's organization and/or underutilization of women and/or minorities is not feasible. PTAB hired four additional staff in FY23, including one minority (25% of hires).

The Property Tax Appeal Board recognizes the importance of correcting underutilization in any of the protective categories should they occur. The Board's goal in the present fiscal year is to address any problems that may exist in protected class groups.

It should be noted, however, that budgetary constraints have inhibited the Board's ability to obtain as many new headcount and/or fill vacancies as we need. The Property Tax Appeal Board actively recruits minorities, veterans, persons with disabilities and others via several means, including but not limited to: Job fairs, ads/announcements in professional magazines, electronic bulletin board, agency bulletin boards and the recognized hiring/promotional procedures as identified by the Department of Central Management Services.

Replacements for existing vacancies or additions to staff may occur, should the budget and approvals allow; if there are opportunities to hire, underutilized areas will be taken into consideration.

EEO/AA PROBLEMS

Because of budgetary constraints, the PTAB has been unable to make significant strides toward increasing the number of its employees.

B. <u>Procedures</u>

The EEO Discrimination Complaint Form (copy provided) shall be used to clearly record the date, nature, and other pertinent information of the complaint of alleged discrimination submitted to the EEO/AA Officer for investigation.

1. Scope and Timelines

Within ten (10) working days of the acceptance of the complaint, the EEO/Affirmative Action Officer shall initiate a thorough investigation of the allegation(s) of the discrimination cited in the complaint. In order to document the merits of the charge, the investigation shall entail the verification of information with the immediate supervisors, staff and witnesses to the alleged discriminatory employment practice. The investigation shall be concluded twenty (20) working days after acceptance of the complaint.

4. <u>Withdrawal of the Complaint</u>

The employee may withdraw the complaint, or any part of the complaint allegation, during the investigation of the complaint upon receipt by the EEO/Affirmative Action Officer of a written request for withdrawal by the complainant.

5. Adjustment During Investigation

If, during the investigation of the complaint, a settlement is reached between the immediate supervisor and the employee, the settlement agreement shall be obtained in writing with approval of line management before the complaint shall be considered closed by the EEO/Affirmative Action Officer.

6. <u>Dismissal of the Complaint</u>

If, after an analysis of the merits of the complaint, there is a lack of substantial evidence to believe that discrimination has occurred, the complainant shall be notified of the findings in writing.

7. <u>Investigation Findings</u>

If, however, at the conclusion of the investigation, there exists reasonable cause to believe that discrimination may have occurred, the EEO/Affirmative Action Officer shall submit a written notice to the immediate supervisor and the Executive Director with the findings and recommendations to resolve the complaint. Within five (5) working days conciliation efforts shall be initiated and the EEO/AA Officer shall participate to seek an equitable resolution of the complaint.

The EEO/Affirmative Action Officer shall conduct and coordinate conciliation efforts by conferring with the parties in an attempt to secure a settlement. A conciliation conference may be convened, which all parties may attend in person or by representative, to propose, discuss and agree to a resolution of the complaint.

If the complaint cannot be satisfactorily resolved at this level within five (5) working days, the EEO/Affirmative Action Officer shall document the efforts made to resolve the complaint and shall provide a written explanation of reasons why the complaint was not able to be resolved.

The findings, conciliation efforts, and proposed settlement shall be forwarded to the Executive Director within five (5) working days of the receipt of the EEO/Affirmative Action Officer's written report.

It is the responsibility of the Property Tax Appeal Board to provide accommodation to qualified applicants and employees with disability, when such accommodation does not pose an undue hardship to the operation of the agency's business.

The agency Equal Employment Opportunity Officer and the Americans with Disabilities Act Coordinator can provide further information about the agency's policy in this area.

State of Illinois Reasonable Accommodation Request for Employees

Pursuant to the requirements of state and federal laws, a qualified individual with a disability has the right to request reasonable accommodation in conjunction with his or her employment. Reasonable accommodation means a modification to application procedure, access to the work site, and adjustment to the work process or work schedule that would enable a person with a disability to perform a particular job. Employers are not required to provide accommodations that would impose undue hardship on the operations of their programs. The procedures for accommodation request appear on the back of this form. Completed accommodation request forms should be submitted to the immediate supervisor, with a copy to the agency's EEO/AA Officer and/or the ADA Coordinator. The agency EEO/AA Officer and/or the ADA Coordinator can respond to questions about the accommodation process.

Accommodation Request Procedures for Employees

The following procedures should be followed in processing reasonable accommodation requests from employees. The agency EEO/AA Officer and/or the ADA Coordinator can provide guidance on the accommodation process.

- 1. The employee shall submit a completed reasonable accommodation request form to his or her immediate supervisor and give a copy of the form to the agency EEO/AA Officer and/or the ADA Coordinator. The employee should retain a copy of this information in his or her files.
- 2. Once received, the supervisor shall review the request form for completeness and, in consultation with the EEO/AA Officer and/or ADA Coordinator, determine whether medical documentation is needed to either establish the presence of a disability or determine an appropriate accommodation. If documentation is needed, the agency should narrowly tailor its request to the issues of whether the employee has a disability under the law and how he or she can be accommodated. The employee should be asked to complete a medical release form (also narrowly tailored), if the agency has additional questions upon review of the medical documentation. When necessary, the employee should be asked to provide documentation to address these issues.
- 3. Upon receipt of necessary documentation, the supervisor shall make a recommendation, in writing, to the Division Manager within five (5) working days.
- 4. The Division manager shall review the supervisor's recommendation and make a recommendation to the Reasonable Accommodation Committee (RAC) within five (5) working days of receipt of the supervisor's recommendation. The Division Manager shall forward his/her recommendation along with the original reasonable accommodation request form and all documentation to the agency's EEO/AA Officer and/or the ADA Coordinator.
- 5. The EEO/AA Officer and/or the ADA Coordinator shall convene a meeting of the Reasonable Accommodation Committee within ten (10) working days of receipt of the Division Manager's recommendation. The RAC shall review the accommodation request. Once the Committee's review is complete, the Committee's recommendation shall be submitted to the Director within five (5) working days of the Committee's review for the Director's approval or denial.
- 6. The Director shall review the RAC's recommendation and shall render a decision of denial or approval within five (5) working days of receipt from the RAC.
- 7. Provided that appropriate documentation has been submitted, the EEO/AA Officer and/or the ADA Coordinator shall inform the employee in writing of the agency's decision to grant or deny the request within thirty (30) working days of receipt of the completed request form and any necessary medical documentation. A copy of the response will also be sent to the supervisor.
- 8. If the Director approves the accommodation request, the agency shall take appropriate action to comply with the accommodation request. Approved accommodation requests shall be implemented as soon as possible. Please note that the agency may offer alternative suggestions providing an equally effective accommodation to remove the workplace barrier in question.
- 9. Reconsideration: If an employee wishes to ask the Director to reconsider a decision on a reasonable accommodation request, a written request shall be addressed to the Director within ten (10) working days of notification of the decision. The reconsideration request shall include the reasons that a reconsideration is being requested and, if appropriate, alternative suggestions for reasonable accommodation. After a complete review of the matter, a decision shall be made and the employee shall be notified. The Director's decision on this recommendation shall constitute the final internal action by the Department on the accommodation request.
- 10. An employee who has been denied accommodation has the right to file a complaint at the state level with the Illinois Department of Human Rights within 300 calendar days of the denial of the request. An employee may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC) within 300 days or any other appropriate government agency pursuant to their time frame.
- 11. The EEO/AA Officer and/or the ADA Coordinator shall document any action taken on a reasonable accommodation request where indicated on the request form and shall retain completed accommodation request forms one year following final action in the matter.

Accommodation Request Procedures for Applicants

Qualified applicants and employees with disabilities have the right to request reasonable accommodation under the law. Applicants may request accommodation to any stage of the application process, including the employment application, examination procedure or interviewing process. Note that the Department of Central Management Services is responsible for accommodations to its testing procedures.

Once an individual with a disability has been hired, he or she has the right to request accommodation to the work site, work schedule or work process that would enable him or her to perform the job in question. Procedures for applicants to follow in making an accommodation request are listed below. The EEO/AA Officer and/or the ADA Coordinator can provide additional information about the accommodation process within their agencies.

Procedures:

- Applicants may request accommodations to the application process orally or in writing (either through correspondence or the use of the accommodation request form for applicants). If the request is made orally or through written correspondence, the agency EEO/AA Officer and/or the ADA Coordinator will complete accommodation request forms in the matter for purposes of processing and documenting the request.
- 2. Applicants shall submit accommodation requests to the interviewing officer. The interviewing officer should provide a copy of the form to the EEO/AA Officer and/or the ADA Coordinator. In cases where the EEO/AA Officer and/or the ADA Coordinator completes the form for the applicant with a disability, the EEO/AA Officer and/or the ADA Coordinator shall submit completed forms to the interviewing officer and retain a copy for him or herself.
- 3. A response to the request will be provided to the applicant within five (5) days following receipt of the request by the interviewing officer.
- 4. If it is within the bounds of the authority of the interviewing officer to grant the request and he or she believes it to be reasonable, the accommodation will be provided. Information regarding the type of accommodation provided will be sent to the EEO/AA Officer and/or the ADA Coordinator.
- 5. If another official within the agency must be consulted in order for the accommodation to be provided, he or she will determine whether the agency will grant the request.
- 6. If the agency denies the request, the applicant has the right to file an internal complaint with the EEO/AA Officer and/or the ADA Coordinator and/or external complaint with the Illinois Department of Human Rights within 300 calendar days of the denial. An applicant may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC) within 300 days or any other appropriate government agency pursuant to their time frame.

PRE-EMPLOYMENT SCREENING COMPLIANCE

The Property Tax Appeal Board will use the standards for pre-employment inquiries of persons with disabilities as established in the Department of Human Rights Affirmative Action Rules. Applicants will not be asked questions by the person interviewing that are not work-related.

EVACUATION PROCEDURE

In the event of an emergency, designated staff members have been instructed to assist any employees or individuals with disabilities in the orderly evacuation of the premises. Disability survey results will be reviewed periodically to see whether any employees indicate emergency evacuation assistance needs, and if such needs are identified, agency staff will be directed to assist them.

RECRUITING APPLICANTS WITH DISABILITIES PROCEDURE

The Labor Force Analysis for People with Disabilities reflects that the Property Tax Appeal Board is in parity within the disabled category for the period ending June 30, 2023. The Property Tax Appeal Board seeks to fill vacancies and increase staff to meet workload demands in a timely fashion. It should be noted, however, that budgetary and approval constraints have inhibited the Board's ability to obtain adequate new headcount or fill vacancies. As such opportunities arise, every effort would be made to contact the Department of Human Services, Office of Rehabilitation Services, Central Management Services and other organizations to try to achieve parity for people with disabilities.

EMPLOYMENT CRITERIA AND DESCRIPTION REVIEW

The Property Tax Appeal Board uses the Department of Central Management Services testing requirements, as well as the Department of Central Management Services job specifications for employment criteria. This is also used for all postings of vacancies. Job descriptions are reviewed before each interview and essential job duties will be identified. Each interviewer will be made aware of the essential job duties.

PART VI

APPLICABLE EEO/AA LAWS

FEDERAL:

CIVIL RIGHTS ACT OF 1964, as amended

Title VI prohibits discrimination on grounds of race, color, or national origin in federally assisted programs and includes all employment and training programs, whether contractual or grants-in-aid. The Assistant Secretary and the Regional Administrators for Employment and Training have enforcement authority of Title VI as it relates to employment and training programs. Regulations for implementing this Title are 29 CFI 31 for all ETA programs except those under 29 CFR 30.

Title VII prohibits discrimination on the grounds of race, color, religion, sex, national origin, pregnancy, childbirth, and related medical conditions by employers or unions with 15 or more employees. The designation employer including the government of the United States, corporations wholly owned by the United States, and state or political subdivisions thereof. It also applies to all State employment security agencies. Although the chief enforcement authority for Title VII is the responsibility of the Equal Employment Opportunity Commission (EEOC), ETA is responsible for working with the EEOC to ensure compliance in State employment security agencies. Indians living on reservations are specifically exempted from coverage under Title VI and VII.

EQUAL EMPLOYMENT OPPORTUNITY ACT OF 1972

This is an amendment to the Civil Rights Act of 1964 which adds sex and religion to the Title VII portion and extends Equal Employment Opportunity (EEO) to State, local and municipal organizations, all employment agencies (private and public), and to labor organizations. This Act empowers the EEOC to bring civil action against any organization that is alleged to be practicing discrimination. The Act also gives the right to an individual to take a complaint directly to a court of law.

PREGNANCY DISCRIMINATION ACT

This law amended Title VII to make it illegal to discriminate against a woman because of pregnancy, childbirth, or a medical condition related to pregnancy or childbirth. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

CIVIL RIGHTS ACT OF 1991

The Civil Rights Act of 1991 expands the protections afforded individuals under the Civil Rights Act of 1964. It provides for damages for intentional discrimination and unlawful harassment in the workplace and codifies the concepts of "business necessity" and "job-related" as enunciated in various Supreme Court decisions. Additionally, it confirms statutory authority and provides guidelines for disparate impact suits under Title VII of the Civil Rights Act of 1964 and in response to recent Supreme Court decisions, expands the scope of relevant civil rights statutes.

AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967

This Act prohibits arbitrary discrimination against persons at the ages 40 and over. It applies to all State employment security agencies and to some ETA program contractors. Exempted from this Act are activities and programs that are designed for the long-term unemployed, persons with disabilities, members of minority groups, older workers, or youth. The Wage and Hour Division, Employment Standards Administration (ESA), Department of Labor (DOL), has arranged for ETA to investigate complaints of age discrimination against State employment security agencies. Regulations for implementing this Act are 20 CFR, Parts 850 and 860.

REHABILITATION ACT OF 1973

This Act sets the standards for promoting, expanding and assisting in employment opportunities for individuals with disabilities in all programs or activities receiving Federal financial assistance. Sections 503 and 504 provide for the prohibition of discrimination against qualified individuals with disabilities. Although other Federal agencies, such as the Department of Health and Education, have certain responsibilities for the program, Section 503 refers a claimant who alleges to have been discriminated against under a Federal contract to DOL for resource. ESA, Office of Federal Contract Compliance Programs, has enforcement authority, and it may be assisted by ETA Regional Administrators. Persons with disabilities who claim discrimination under a Federal grant administered by the Labor Department may file complaints with the Assistant Secretary for Administration and Management, DOL, under Section 504 of the Act. Regulations for implementing the Act are 29 CFR 32 and 41 CFR 60-741.

EQUAL PAY ACT OF 1963

This Act provides that an employer may not discriminate on the basis of sex by paying employees different wages for doing equal work on jobs requiring equal skill, effort and responsibility, and which are performed under similar working conditions in the same establishment. The standards of "equal pay for equal work" set forth in this Act for determining what is lawful discrimination in compensation are applicable to Title VII of the Civil Rights Act of 1964. This act applies to all State employment security agencies and to some ETA program contractors. This Act is enforced by EEOC. Regulations for implementing this Act are 29 CFR 800.

AMERICANS WITH DISABILITIES ACT OF 1990, AS AMENDED BY THE AMERICANS WITH DISABILITIES AMENDMENTS ACT OF 2008

Congress enacted the Americans with Disabilities Act of 1990 ("the ADA") to eliminate discrimination against individuals with disabilities in the areas of employment, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to pu8blic service. Title I of the ADA prohibits discrimination in employment against individuals with disabilities and establishes the standards governing an employer's affirmative duty to accommodate an individual with a disability. Title II of the ADA prohibits discrimination against individuals with disabilities by state and local governments. The ADA Amendments Act of 2008 broadens the coverage of "disability" and thereby brings more individuals under the protection of the law. EEOC issued regulations under this Act.

FAMILY MEDICAL LEAVE ACT of 1993

This Act requires employers to provide up to 12 weeks of unpaid job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours during the year preceding the start of the leave, and be employed at a worksite where the employer employs at least 50 employees within a 75-mile radius.

Reasons for taking leave:

Unpaid leave must be granted for any of the following reasons:

- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Section 585(a) of the National Defense Authorization Act (NDAA) amended the FMLA to provide eligible employees working for covered employers two important leave rights related to military service:

- Qualifying Reason for Leave. Eligible employees are entitled to up to 12 weeks of leave because of "any qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.
- Leave Entitlement. An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for

the service member. This military caregiver leave is available during "a single 12-month period" during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services. The U. S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008 (GINA)

Title II of the Genetic Information Nondiscrimination Act of 2008 (GINA), which prohibits genetic information discrimination in employment, took effect on November 21, 2009. This law makes it illegal to discriminate against employees or applicants because of genetic information. Genetic information includes information about an individual's genetic tests and the genetic tests of an individual's family members, as well as information about any disease, disorder or condition of an individual's family members (i.e., an individual's family medical history). The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

STATE:

ILLINOIS HUMAN RIGHTS ACT OF 1980

This Act prohibits discrimination because of race, color, religion, sex, national origin, ancestry, age, order of protection status, marital status, physical or mental disability, military status, sexual orientation, or unfavorable discharge from military service in conjunction with employment, real estate transactions, access to financial credit, and the availability of public accommodations. It provides Equal Opportunity and Affirmative Action as the policies of the State to eliminate the effects of past discrimination in the internal affairs of State Government in its relations with the public.
